

Ellenbrook Security Report

Local security guide - Ellenbrook WA 6069 - North-east metro Perth, City of Swan

About Ellenbrook

Ellenbrook is about 25 km north-east of the Perth CBD.

Ellenbrook is a master-planned town in the City of Swan in Perth's north-east, built from the 1990s around a central town centre, with the new Ellenbrook rail line linking it to the city. At the 2021 Census, 24,668 people lived in Ellenbrook in about 8,056 occupied homes: 89% separate houses, 9% townhouses or semi-detached homes and 2% apartments, and 25% of homes were rented.

Housing and local context

Housing stock: Brick family homes and townhouses in village-style estates, with parks and bushland reserves.

Ellenbrook was planned as a series of villages, each with brick family homes, some townhouses and laneway-access garages, around parks and bushland reserves. Rear-loaded lots mean garages and back gates face shared laneways that can't be seen from the street.

Common security concerns in Ellenbrook

- Laneway garages and back gates
- Homes backing onto parks and bushland
- Sliding doors onto the yard

Local tip: Back fences, laneways and sliding doors

About 58% of Ellenbrook homes were being paid off with a mortgage at the 2021 Census. Newer homes often back onto parks, bushland or laneways, so solid rear fences and locked gates matter. Put a sensor light and a camera over the back yard and any laneway garage, and lock sliding doors with a proper lock or bar.

Before you hire: checklist

- Look up the licence number on the relevant state regulator register and confirm it is current.
- Check the ABN on the Australian Business Register (abr.business.gov.au).
- Hardwired 240V work needs a licensed electrician; in-wall data cabling needs an ACMA-registered cabler.
- For guards and patrols, confirm both the firm licence and each attending officer's licence.
- Get at least three written quotes listing camera models, recorder storage and warranty.
- Aim cameras at your own property and consider disabling audio on cameras facing shared areas.
