- Units and duplexes on shared driveways
- Shops after hours

Local tip: Car parks and driveways

Morley's Galleria draws shoppers from across Perth's north-east, and cars in large car parks are an easy target for opportunistic theft. Leave nothing on show, lock the car every time, and take bags into the shops with you. At home, cover the driveway with a camera and keep keys away from the front door.

Before you hire: checklist

- Look up the licence number on the relevant state regulator register and confirm it is current.
- Check the ABN on the Australian Business Register (abr.business.gov.au).
- Hardwired 240V work needs a licensed electrician; in-wall data cabling needs an ACMA-registered cabler.
- For guards and patrols, confirm both the firm licence and each attending officer's licence.
- Get at least three written quotes listing camera models, recorder storage and warranty.
- Aim cameras at your own property and consider disabling audio on cameras facing shared areas.
