

North Lakes Security Report

Local security guide - North Lakes QLD 4509 - Moreton Bay, northern greater Brisbane

About North Lakes

North Lakes is about 28 km north of the Brisbane CBD.

North Lakes is a master-planned suburb in the Moreton Bay region built since the early 2000s around its lakes, Westfield North Lakes, IKEA and a business park, with a station on the Redcliffe Peninsula line nearby. At the 2021 Census, 23,030 people lived in North Lakes in about 7,657 occupied homes: 85% separate houses, 12% townhouses or semi-detached homes and 3% apartments, and 37% of homes were rented.

Housing and local context

Housing stock: Modern brick family homes with double garages, townhouses and some apartments.

North Lakes is laid out as a master-planned community of modern brick homes with double garages on small blocks, townhouses and some apartments, with parks and lakes throughout. Many homes back onto walking paths and green corridors, and the shopping centre and business park draw visitors from across the region.

Common security concerns in North Lakes

- Cars in driveways and at the shopping centre
- Homes backing onto walking paths
- Townhouses with shared entries

Local tip: Cars at home and at the shops

About 64% of North Lakes households had two or more cars at the 2021 Census. Keep keys and fobs inside away from the front door, lock the car every time, and cover the driveway with a camera and sensor light. At the shopping centre, leave nothing on show in the car.

Before you hire: checklist

- Look up the licence number on the relevant state regulator register and confirm it is current.
- Check the ABN on the Australian Business Register (abr.business.gov.au).
- Hardwired 240V work needs a licensed electrician; in-wall data cabling needs an ACMA-registered cabler.
- For guards and patrols, confirm both the firm licence and each attending officer's licence.
- Get at least three written quotes listing camera models, recorder storage and warranty.
- Aim cameras at your own property and consider disabling audio on cameras facing shared areas.
