

Stuart Park Security Report

Local security guide - Stuart Park NT 0820 - Inner Darwin, City of Darwin

About Stuart Park

Stuart Park is about 2 km north of Darwin City.

Stuart Park is an inner Darwin suburb just north of the city centre, with the Stuart Park shops, heritage homes and a mix of apartments, townhouses and houses. At the 2021 Census, 4,101 people lived in Stuart Park in about 1,607 occupied homes: 25% separate houses, 26% townhouses or semi-detached homes and 49% apartments, and 57% of homes were rented.

Housing and local context

Housing stock: Apartments and units, townhouses and semi-detached homes, and some elevated houses.

Stuart Park mixes blocks of units and apartments with townhouses and some elevated tropical houses close to the city. Many homes have balconies and sliding doors, and shared car spaces and courtyards. Its closeness to the city brings people through the suburb at all hours.

Common security concerns in Stuart Park

- Sliding and balcony doors
- Shared car spaces and courtyards
- Rented units

Local tip: Units, townhouses and open doors

About 57% of Stuart Park homes were rented at the 2021 Census, many in units and townhouses. Keep sliding and balcony doors locked when you're out, fit locking screens where you leave doors open for air, and keep bikes and gear out of shared car spaces.

Before you hire: checklist

- Look up the licence number on the relevant state regulator register and confirm it is current.
- Check the ABN on the Australian Business Register (abr.business.gov.au).
- Hardwired 240V work needs a licensed electrician; in-wall data cabling needs an ACMA-registered cabler.
- For guards and patrols, confirm both the firm licence and each attending officer's licence.
- Get at least three written quotes listing camera models, recorder storage and warranty.
- Aim cameras at your own property and consider disabling audio on cameras facing shared areas.
